Course Curriculum & Modules

Training Course On Data Management And Analysis For M&E In Priority Health Programmes; Nairobi and Mombasa, Kenya

Data on impact of policies, and interventions on health is crucial in this era of information technology. Both governments and civil society have a need for information on health programs and trends and the impact of policies and interventions. Monitoring, evaluation and impact assessment are undertaken by governments, NGOs, international agencies and donors. The course emphasizes the need for careful selection of indicators in designing information support systems at various administrative levels and the skills required for analysis and interpretation of data collected for policy making.

The course is job-oriented and the training approach is interactive. It provides the participants with the possibility to learn from expert facilitators as well as from each other.
