Course Curriculum & Modules

Aligning M&E with Organizational Strategy Training Course

Introduction

Aligning M&E with Organizational Strategy Training Course is essential for achieving measurable impact, accountability, and evidence-based decision-making. This training course equips participants with practical skills to integrate M&E systems, strategic planning, performance management, and results-based frameworks into organizational strategy. Participants will learn how to translate mission, vision, and strategic objectives into SMART indicators, performance dashboards, and learning systems that support adaptive management and donor compliance.

The course emphasizes strategic alignment, theory of change integration, outcome mapping, and organizational learning to ensure M&E drives continuous improvement rather than compliance alone. Using real-world NGO, public sector, and donor-funded project case studies, participants will gain hands-on experience aligning M&E plans with corporate strategies, logframes, KPIs, and sustainability goals, enabling leadership teams to make data-driven decisions and demonstrate value for money.

Course Duration

5 days
