Community-Led Settlement Upgrading Training Course

Introduction

Community-Led Settlement Upgrading is a strategic approach to inclusive urban development that places residents, local institutions, and community organizations at the center of informal settlement transformation. Community-Led Settlement Upgrading Training Course provides practical knowledge on participatory settlement upgrading, inclusive urban planning, community engagement, affordable housing, land tenure security, infrastructure improvement, climate resilience, social inclusion, and sustainable neighborhood development. Participants will explore how community priorities can be integrated into urban policies, investment plans, and settlement upgrading programs while strengthening local ownership and accountability.

The course also examines innovative approaches to financing, institutional coordination, infrastructure delivery, environmental management, disaster-risk reduction, and monitoring and evaluation. Through international case studies and practical exercises, participants will examine successful community-led upgrading initiatives from Africa, Asia, and Latin America and learn how to adapt relevant approaches to local contexts. The course supports professionals working on inclusive cities, sustainable urbanization, housing development, community infrastructure, and poverty reduction.

Course Objectives

By the end of the course, participants will be able to:

- Understand advanced principles of community-led settlement upgrading and inclusive urban development.
- Apply participatory urban planning and community engagement techniques.
- Assess informal settlement conditions using socioeconomic and spatial data.
- Develop inclusive settlement upgrading strategies and implementation frameworks.
- Strengthen community participation, leadership, and stakeholder collaboration.
- Apply approaches to affordable housing and land tenure security.
- Integrate climate resilience, disaster-risk reduction, and environmental sustainability.
- Design infrastructure improvement strategies for water, sanitation, roads, drainage, and energy.
