## Course Curriculum & Modules

**Legal Auditing, Compliance Reviews and Regulatory Assessments Training Course**

**Introduction**

**Legal Auditing, Compliance Reviews and Regulatory Assessments Training Course is designed to strengthen institutional capacity in legal risk management, regulatory compliance, corporate governance and legal accountability. As organisations operate within increasingly complex legal and regulatory environments, the ability to conduct effective legal audits, evaluate compliance frameworks and identify regulatory gaps has become essential for sustainable operations. It explores modern approaches to evaluating organisational adherence to applicable laws, regulations, contractual obligations, industry standards and internal policies while strengthening transparency, accountability and institutional performance.**

**The programme provides practical methodologies for planning and executing legal audits, assessing regulatory obligations, identifying non-compliance, documenting legal exposures and developing corrective action plans. Participants will explore emerging trends in risk-based compliance auditing, regulatory intelligence, ESG compliance, anti-corruption frameworks, data protection governance, digital compliance monitoring and enterprise risk management. Through practical exercises, regulatory case studies, simulated legal audit assignments and institutional compliance assessments, participants will develop the ability to evaluate legal frameworks, prepare audit reports, recommend remedial measures and establish sustainable compliance monitoring systems. The training is particularly relevant for organisations seeking to minimise litigation exposure, strengthen regulatory relationships, improve governance structures and build a proactive culture of legal compliance.**

**Course Duration**

**5 Days**
