## Course Curriculum & Modules

**Socially Responsible Investing Training Course**

**Introduction**

**Socially Responsible Investing (SRI) Training Course provides participants with a comprehensive understanding of sustainable and ethical investment practices. This course emphasizes integrating environmental, social, and governance (ESG) criteria into investment decisions to maximize both financial returns and positive societal impact. Participants will gain actionable insights on responsible investment strategies, sustainable portfolio management, and risk mitigation through real-world case studies and interactive sessions. The course leverages trending investment concepts such as ESG integration, impact investing, ethical finance, and corporate social responsibility to equip professionals with advanced knowledge and practical skills for modern financial markets.**

**The SRI Training Course is designed to develop the competencies of finance professionals, portfolio managers, investment analysts, and corporate leaders to make informed and responsible investment choices. It combines practical tools, analytical frameworks, and ethical decision-making models, enabling participants to align financial performance with social and environmental stewardship. Through a mix of lectures, group discussions, and scenario-based learning, participants will enhance their understanding of ESG reporting, sustainability metrics, shareholder engagement, and the regulatory landscape governing socially responsible investments.**
