Course Curriculum & Modules

Training Course on Building Coalitions for Educational Change

Introduction

In the dynamic landscape of education reform, building effective coalitions is pivotal to drive sustainable educational change. A well-stru

Participants will gain hands-on experience in strategic partnerships, stakeholder engagement, advocacy strategies, and collaborative leadership for education transformation. This highly practical training is designed to align with global education frameworks such as SDG 4 (Quality Education), fostering innovation, equity, and lifelong learning through cohesive and empowered networks.

Course Objectives

- Understand the principles of coalition building in educational change.
- Master stakeholder engagement strategies for education reform.
- Develop skills in education policy advocacy and lobbying.
- Foster public-private partnerships in education transformation.
- Build competencies in collaborative leadership for systemic change.

- Analyze global education trends and innovation frameworks.
- Utilize data-driven decision-making in education coalitions.
- Implement community empowerment and grassroots mobilization.
- Design sustainable education change models through partnerships.
- Apply conflict resolution and negotiation techniques within coalitions.
- Strengthen capacity for inclusive education and equity-driven strategies.
- Leverage digital tools and platforms for education collaboration.
- Create impact measurement and monitoring systems for coalition outcomes.

Target Audiences

- Education Policy Makers
- School Administrators and Leaders
- Curriculum Developers
- NGO and CSO Education Officers
- Community Leaders and Activists
- Education Researchers and Consultants
- Teacher Trainers and Educators
- Private Sector Education Partners

Course Duration: 5 days
