Training Course on Ethical and Sustainable Investment Practices in Pensions

Introduction

Training Course on Ethical and Sustainable Investment Practices in Pensions is designed to equip professionals with the knowledge and skills necessary to integrate ethical and sustainable investment practices into pension fund management. As societal expectations shift towards greater responsibility and accountability in investing, understanding how to incorporate environmental, social, and governance (ESG) factors becomes crucial for pension funds. This course focuses on the principles and practices of ethical and sustainable investing, enabling participants to make informed decisions that align with both financial goals and societal values.

Participants will explore key topics such as ethical investment frameworks, sustainability criteria, regulatory considerations, and best practices in stakeholder engagement. The curriculum integrates theoretical concepts with practical applications, featuring case studies and interactive activities that allow attendees to engage with real-world scenarios. By the end of the training, participants will be well-equipped to implement effective ethical and sustainable investment strategies that enhance the long-term performance and impact of pension funds.
