Training Course on Fiduciary Due Diligence for Pension Investments

Introduction

Training Course on Fiduciary Due Diligence for Pension Investments is designed for pension fund managers, trustees, compliance officers, and financial professionals who are responsible for managing pension investments. Understanding fiduciary duty and the principles of due diligence is essential for ensuring that pension funds are managed in the best interests of beneficiaries while adhering to legal and regulatory standards.

This course will cover the key concepts of fiduciary responsibility, the due diligence process in investment selection, and best practices for monitoring and evaluating investment performance. Participants will learn how to implement effective due diligence procedures that help mitigate risks and enhance the overall performance of pension investments. Through a combination of theoretical insights, case studies, and practical applications, attendees will engage in interactive discussions and hands-on exercises. By the end of the course, participants will be equipped with the knowledge and skills necessary to fulfill their fiduciary responsibilities effectively and make informed investment decisions.
