Training Course on Trade and Development: Understanding the Role of International Trade in Economic Growth

Introduction

International trade is a crucial driver of economic growth and development. Training Course on Trade and Development: Understanding the Role of International Trade in Economic Growth aims to equip participants with a comprehensive understanding of how trade impacts economic development, the mechanisms involved, and the policies that can enhance trade benefits. By exploring the dynamics of global trade, attendees will learn how to leverage trade opportunities to foster sustainable economic growth in their countries.

Through a combination of theoretical frameworks and practical applications, participants will examine key concepts such as trade theories, trade policies, and the relationship between trade and poverty reduction. The course emphasizes the importance of data analysis and stakeholder engagement in shaping effective trade policies. By the end of the course, attendees will be prepared to contribute to trade initiatives that promote economic development.

Course Objectives
