Course Curriculum & Modules

VAT/GST for SMEs Training Course

Course Introduction

Value Added Tax (VAT) or Goods and Services Tax (GST) plays a crucial role in the financial operations of Small and Medium Enterprises (SMEs). This intensive 5-day training course provides participants with practical knowledge on VAT/GST frameworks, compliance, filing, and strategic tax management. VAT/GST for SMEs Training Course is designed to empower business owners, accountants, and finance professionals to implement efficient tax systems, reduce compliance risks, and improve business profitability through sound tax practices.

Participants will gain a deep understanding of VAT/GST laws, invoicing procedures, input tax credit mechanisms, exemptions, and digital filing processes. Real-life case studies and interactive simulations will help participants apply concepts to actual SME environments for stronger decision-making and compliance management.

Course Objectives

By the end of this course, participants will be able to:

- Understand the key principles and objectives of VAT/GST systems.
- Differentiate between VAT and GST regimes across jurisdictions.
- Register SMEs for VAT/GST and manage compliance efficiently.
- Prepare accurate VAT/GST returns and digital filings.
- Implement effective record-keeping and invoicing systems.

- Apply input tax credit (ITC) rules correctly to minimize tax liability.
- Identify exempt and zero-rated transactions.
- Manage cross-border VAT/GST implications on imports and exports.
- Conduct VAT/GST audits and respond to tax authority queries.
- Analyze the financial impact of VAT/GST on SME pricing and cash flow.
- Utilize accounting software for automated VAT/GST reporting.
